

The 2012 Terra is a Puglian expression of Aglianico (with 15% Negroamaro in the blend). This is a longstanding and historic winery from Puglia, and Aglianico is one of the noble red grapes of southern Italy. Terra is a dark and fully concentrated red wine with excellent depth and lasting intensity. The bouquet opens to dried fruit, wet earth and moist chewing tobacco. There are slightly evolved notes of licorice and crushed granite at the back.
